

Keith Pinkelman

Address: 2020 Naismith Dr. Lawrence, Kansas 66046__Email: KeithPinkelman@gmail.com__Phone: (913) 449-0649__Web: www.kpstudioworks.com

Objective:

To obtain a full-time position in a dynamic architecture firm, providing me with the opportunity for personal and professional development and to advance my progress in intern development and prospective licensure.

Education:

University of Kansas, Lawrence, Bachelor of Architecture-2009

Architectural Work Experience:

- | | | |
|-------------------|--|------------------------------|
| Summer
2009 | El Dorado Architects_ Metal Fabrication
Worked on heavy steel fabrication for a mixed-use arts facility. Responsibilities included cutting, shaping and drilling structural steel members while working from a construction document set. | Kansas City, Missouri |
| Summer
2008 | Steven Kratchman Architect_ Intern
Worked on numerous projects in New York including a \$2 million brownstone remodel, a high-end art storage facility in the Brooklyn Navy Yard, and a condominium project in collaboration with the office of Shigeru Ban. | New York, New York |
| Fall
2007 | KU School of Architecture + Urban Planning_ Asst. Studio Prof.
Assisted Professor Stephen Grabow with lesson plans and formal and informal studio critiques for 2 nd year architecture students. I was the only non-graduate student teaching a studio. | Lawrence, Kansas |
| Summer
2007 | Gould-Evans Associates_ Associate
Worked on various secondary and higher education projects as well as a fast-track project for a car dealership remodel. During the process I obtained valuable experience meeting with clients and contractors. | Overland Park, Kansas |
| Fall
2001-2003 | Boice-Raidl-Rhea Architects_ Admin. Assist.
Learned valuable office skills as well as drafting and design while still in high school. Worked with printing, information technology, and learned about the construction documentation project. | Merriam, Kansas |

Other Relevant Work Experience:

- | | | |
|---------------------|---|-------------------------|
| Spring
2004-2009 | Student Recreation Fitness Center_ Facility Program Manager
Responsible for the management of a 200,000 sf. facility that accommodates nearly 3,000 students daily. Major responsibilities included: Training and leading a staff of nearly 40, employee hiring and staffing, scheduling and payroll. Implementing risk management policies and procedures was a major concern of our facility. I was also involved in the completion of an 80,000 sf. addition which opened in the spring of 2009. | Lawrence, Kansas |
|---------------------|---|-------------------------|

Relevant Skills:

Proficient with word processing programs (Word, Excel, Powerpoint). High level of knowledge with most graphic design programs (Adobe Photoshop, Illustrator and InDesign). Proficient with a variety of 3D and CAD programs (AutoCad, SketchUp, Rhinoceros, and Vray). Also a good working knowledge of 3D Studio Max, Revit, and Ecotect. Currently learning digital scripting programs Grasshopper, and Digital Project. CPR/AED certified through the American Heart Association. Beginning courses in Spanish.

Travel:

Studied architecture in a summer 2006 Study Abroad program to Europe. Travels included Berlin, Prague, Brussels, Strasburg and Paris. Minor travel destinations included The Hague, Bruges, Colmar and Potsdam.

Summary:

As a creative young graduate with relevant experience inside and outside of the profession, I can play a major role in any design team. I have proven myself valuable to three firms with which I have had experience, as well as leadership and loyalty with all the jobs I have previously held. I look forward to becoming an integral part of a quality design firm and learning about innovative design in practice.
